Step 1: Begin by visiting the official website.

Step 2: On the website's home page, look for the section labelled Revised Answer Key of CUET (UG) – 2023.

Step 3: When you click on this section, the CUET Revised Answer Key 2023 in PDF format will be displayed on your screen.

Step 4: The correct answers to all the questions from each shift are detailed in the CUET UG Revised Answer Key 2023 PDF.

Step 5: Download the NTA CUET Revised Answer Key 2023 and use it to calculate your score in the examination.

## Calculate Your CUET Score 2023

As per the CUET marking scheme, candidates receive 5 marks for each correct response, while 1 mark is deducted for each incorrect response. Questions that go unanswered receive no marks or are marked as 0. To calculate your estimated score more comprehensively, use the following formula:

Total marks = (5 times the number of correct answers) minus (1 times the number of incorrect answers). This method enables you to assess your performance in a more extensive manner by considering both correct and incorrect responses.

## CUET Answer Key 2023- How to raise an objection

The National Testing Agency (NTA) has thoughtfully provided candidates with an avenue to address any concerns they may have about the CUET Answer Key 2023. If candidates come across objections or discrepancies in the answers provided in the answer key, they have the opportunity to participate in the CUET Answer Key Challenge process. Here are the key details you need to know:

**Duration:** The answer key challenge window remains open for a specific period, typically spanning a few days, following the release of the answer key.

**Process:** To initiate the challenge process, candidates should visit the official NTA website and adhere to the prescribed procedure for submitting their objections. This typically involves completing an online form and providing supporting documents or explanations for each challenged answer.

**Fee:** It's important to note that candidates will be required to pay Rs. 200/- per question challenged as processing charges. Moreover, further details concerning the fee amount and the payment process will be available on the official website.
