6. Submit the entered information.
7. The answer key will then be displayed on your screen.
8. Download the answer key and review the answers.

Calculate Your RBI Grade B Score 2023

Firstly, the RBI Grade B Phase 1, or Prelims, is an online objective test. It's important to note that the marks obtained in this phase do not contribute to the final result. Phase 1 encompasses 200 questions to be answered within 120 minutes.

Moreover, the second stage is the RBI Grade B Phase 2, or Mains. This phase combines both objective and descriptive-type questions, with a designated time for each section. Qualifying at this stage is a prerequisite for proceeding to the final interview. Lastly, the RBI Grade B Interview is the concluding phase. The final interview results are determined based on the marks scored in both Phase 1 and Phase 2.

RBI Grade B Answer Key 2023 - Check your Performance

Furthermore, the overall marks obtained in the examination will be the basis for the final selection. It's important to note that these steps are designed to provide you with an initial evaluation of your score. However, the final merit list will be compiled based on the normalised score and various other criteria in accordance with RBI guidelines. Additionally, to gain insights into the level of competition, consider examining both this year's and the previous year's cutoff scores.
