Calculate Your SBI PO Score 2023

To calculate their probable score, you must understand the marking scheme for SBI PO 2023. Thereafter, you can calculate your scores based on the amount of correct and incorrect answers.

- First, the preliminary examination consists of 100 objective-type questions of one mark each (a total of 100 marks). Moreover, there is a negative marking of 0.25 marks for every incorrect answer.
- Secondly, the main examination comprises two tests: the objective test and the descriptive paper. The objective test consists of four sections with a total of 200 marks. However, this objective test carries a negative marking of 25% for every incorrect answer.
- In addition to this, the descriptive paper comprises two questions for a total of 50 marks. Therefore, the main examination carries a total of 250 marks.

Hence, you can calculate your SBI PO 2023 prelims score using the SBI PO Answer key 2023 by awarding one mark for every correct answer and deducting 0.25 marks for every incorrect answer.
