## Calculate Your SSC CGL Score 2024

## SSC CGL Answer Key 2024 - Check your Performance

Commonly, various websites release a memory-based SSC CGL answer key for the year 2024. This enables candidates to estimate their scores based on correct and incorrect responses.

For Tier 1, the examination comprises 100 questions, with each question carrying 2 marks. However, incorrect answers incur a penalty of 0.5 marks each.

The Tier 2 Examination comprises three papers. Paper 1 consists of questions carrying 3 marks each, with a negative marking of 1 mark for each incorrect response. Papers 2 and 3 have questions worth 2 marks each, with a negative marking of 0.5 marks for every incorrect answer.

To calculate your score using the SSC CGL answer key for 2024, assign 2 or 3 marks for each correct response and deduct 0.5 or 1 mark for each incorrect answer. Earlier segments of this text have already provided details about the official SSC CGL answer key for 2024.

## SSC CGL Answer Key - How to raise an objection

If any discrepancies are identified in the SSC CGL Answer Key for 2024, candidates have the provision to raise objections. It is crucial to note that there exists a limited timeframe designated by the SSC for submitting objections, typically released concurrently with the answer key. For instance, taking cues from the SSC CGL Answer Key 2022-23, candidates were allowed to raise objections for Tier 1 from a specified start to end date, accompanied by a nominal fee per challenged question. The same procedure was applicable for Tier 2, providing candidates with an opportunity to address concerns during a designated period. Similar processes can be anticipated for the SSC CGL Answer Key 2024, emphasizing the importance of staying vigilant and responsive after completing the CGL examination. As we shift our focus to the upcoming CGL exam, it is essential to stay informed about the significant dates related to the SSC CGL exam in 2024.

## SSC CGL 2024 Important Dates
