SSC JE Answer Key 2024 - Calculate Your Score

In order to calculate your expected score in the SSC JE 2024 exam, take in consideration the following marking scheme:

- Firstly you can assign yourself 1 mark for every accurate answer.
- And deduct 0.25 marks or 1/4 of the assigned mark for each incorrect response.
- No adjustments should be made for questions left unanswered.

Now use the given formula to calculate your total score: **Count of correct answers - (Count of incorrect answers * 0.25) = Final Score.**
