Calculate Your SSC MTS Score 2024

You can calculate your scores based on the number of correct and incorrect answers, following these guidelines:

- The SSC MTS computer-based exam comprised a total of 90 questions, with 40 questions in Session 1 and 50 questions in Session 2.
- Award yourself 3 marks for each correctly answered question in both Session 1 and Session 2.
- However, in Session 2, consider deducting 1 mark for every question answered incorrectly.
- It's noteworthy that there is no negative marking in Session 1, which is certainly advantageous.
- It's important to note that no marks will be deducted for questions left unanswered.

Please note that these steps are designed to offer an approximate calculation of your score. The final merit list, however, will be established considering the normalized score and various other criteria in accordance with SSC guidelines. Additionally, for insights into the competitive landscape, you may want to examine the cutoff scores for both the current and previous years.
