Let's check this news about (Israel-Hezbollah) Then, we will move ahead.

Israel-Hezbollah enter into ceasefire

An Israel-Hezbollah ceasefire deal was recently adopted after Israel's cabinet approved a US backed proposal to end the 14 month long conflict. Israel-Hezbollah ceasefire has been modelled after UNSC Resolution 1701 from the 2006 conflict. The Resolution seeks to end hostilities between Israel and Hezbollah by achieving a permanent ceasefire and establishing a buffer zone. The 60 day cessation of hostilities established requires withdrawal of forces along with enhanced monitoring and supervision.

Reduction in Child Marriages in India

The Union Women and Child Development Minister Shrimati Annpurna Devi recently announced that Child Marriages in India reduced substantially from 47.4% in 2006 to 23.3% in 2019-21. The major credit behind this reduction is attributed to the Prevention of Child Marriage Act (2006). The total number of girls married in childhood globally stands at 12 million per year as per data from UNICEF. As per NFHS-5 data eight Indian states have a higher prevalence of child marriage than National Average.

comment below your score, considering each question has 1 mark only. If you scored 8 to 10, congratulations! You are one step closer to selection. If you have scored 5 to 8 marks, then you are doing well, keep it up. If you have scored less than 5 marks then you need to work a little harder on this subject. But don't worry, we are here to help you master the subject.

Keep trying! We will meet again with another set of questions in daily current affairs quiz.
