Let's check this news about (India-Japan) . Then, we will move ahead

## India-Japan Seal Strategic 2025 Partnership Agreements

During PM Modi's August 2025 visit to Tokyo, India and Japan signed transformative agreements across defense, digital tech, clean energy, and cultural exchange. A Joint Vision for 2035 was unveiled, targeting cooperation in eight strategic sectors. Key deals include defense personnel exchange, a new AI initiative, lunar mission collaboration, and a ¥10 trillion private investment goal. Sustainability efforts, infrastructure development, and people-to-people ties were also emphasized, marking a new era in India-Japan bilateral relations.

## India Launches First EMI-Based Credit Card

BharatPe and Unity Small Finance Bank have launched India's first EMI-driven credit card on the RuPay network—the Unity Bank BharatPe Credit Card. Designed for flexible repayments, the card allows users to convert purchases into EMIs of up to 12 months, with no joining or annual fees. Linked to UPI, it offers seamless payments, 2% rewards on EMI spends, and premium benefits like lounge access. The fully digital onboarding process ensures quick eligibility checks and activation via the BharatPe app.

## Urjit Patel Appointed IMF Executive Director

Former RBI Governor Urjit Patel has been appointed as Executive Director at the International Monetary Fund (IMF) for a three-year term. He will represent India, Bangladesh, Sri Lanka, and Bhutan at the IMF headquarters in Washington, D.C. Founded in 1944, the IMF works to foster international monetary cooperation, ensure financial stability, and support sustainable economic development worldwide. It operates through a quota-based system, with governance by a Board of Governors and an Executive Board managing daily operations.

## India, Japan Partner for Chandrayaan-5 LUPEX Mission

India's PM recently welcomed the ISRO-JAXA agreement for the Chandrayaan-5 mission under the Lunar Polar Exploration (LUPEX) program. Aimed at exploring the Moon's south pole, the mission will search for water and surface ice using a lander (by ISRO) and a rover (by JAXA). Equipped with advanced instruments from ISRO, JAXA, NASA, and ESA, the rover will drill, sample, and analyze lunar regolith. The mission emphasizes cutting-edge mobility, drilling tech, and lunar night survival capabilities.

## Reliance Builds Massive Green Energy Hub in Gujarat

Reliance Industries is developing a large clean energy network across Jamnagar and Kutch in Gujarat. During its 48th Annual General Meeting, the company unveiled plans for gigafactories to manufacture solar panels, hydrogen, batteries, and electrolyzers. The solar farm in Kutch, covering 550,000 acres—three times the size of Singapore—is expected to supply roughly 10% of India's future electricity demand. Through green fuel exports from Kandla, Reliance aims to establish India as a global green energy leader by 2026.

## US Approves ERAM Missile Sale to Ukraine

The U.S. has approved the sale of 3,350 Extended Range Attack Munitions (ERAM) missiles to Ukraine, enhancing its long-range strike capabilities. ERAM is a next-gen, precision-guided, air-launched missile with a range of 240–450 km and a 500-pound explosive warhead. It uses GPS, inertial navigation, and terminal seeker guidance with high accuracy. Designed for affordability and flexibility, ERAM can be mounted on modern fighters like F-16s or retrofitted to Soviet-era jets for broader operational use.

## PM Modi Reshapes NDMA With New Appointments

In August 2025, Prime Minister Narendra Modi named scientist Dinesh Kumar Aswal and disaster recovery specialist Rita Missal as new members of the National Disaster Management Authority (NDMA). Rajendra Singh, Krishna Swaroop Vatsa, and Lt. Gen. Syed Ata Hasnain (Retd.) were also reappointed for another three-year term. The NDMA, India's leading disaster management agency, formulates national policies and collaborates with states and agencies to ensure efficient, technology-driven, and resilient disaster response across the country.

## Government Launches Rs 25,000 Cr Export Boost Plan

The Indian government has allocated Rs 25,000 crore under the Export Promotion Mission for the period 2025–2031 to boost export growth, focusing primarily on MSMEs. This initiative is led by multiple key ministries and features two main sub-schemes: Niryat Protsahan, with over Rs 10,000 crore aimed at providing financial support, and Niryat Disha, allocating more than Rs 14,500 crore towards capacity building, branding, and market expansion. The mission includes measures such as interest equalisation, alternative trade financing, quality standards support, and enhanced logistics to help MSMEs tackle non-tariff barriers and integrate effectively into global value chains.

## Army, ITBP Conduct Joint Achook Prahar Exercise

In August 2025, the Indian Army's Spear Corps and the Indo-Tibetan Border Police (ITBP) conducted the Achook Prahar drill in Arunachal Pradesh. The drill tested combat readiness with mortars, machine guns, rockets, and grenades, highlighting strong joint operational coordination. The ITBP, specialized in mountain warfare, supports the Army in securing the challenging high-altitude border with China. The exercise enhances interoperability, rapid response, and tactical integration essential for frontier security.

## International Day Highlights Enforced Disappearances' Impact

## Top 10 Current Affairs Questions of Today - September 2, 2025

Observed on August 30, the International Day of Victims of Enforced Disappearances raises awareness about the forced disappearances worldwide, often perpetrated by state authorities to suppress dissent. Defined by the UN as abductions with concealed fate, these acts violate human rights severely. Since 2011, the day spotlights victims' suffering, family trauma, and societal fear caused by disappearances in over 85 countries, emphasizing the urgent need for justice, accountability, and protection for vulnerable groups.
