Furthermore, these trends highlight the importance of consistent and rigorous preparation to secure your place in this competitive category. It's advisable to aim for scores well above the cut offs to increase your chances of success in the SSC JHT examination. Therefore, now that we've taken a look at the cut off trends from the past few years, let's dive deeper into the cut offs for various categories during this period.

## SSC JHT Cut offs - Previous Years

In the tables below, we've presented the SSC JHT cut offs for the previous years, from 2019 to 2022. These tables include the cut off for Paper 1. These details can help you establish more precise target scores for yourself. Moreover, it's essential to keep in mind that the SSC JHT cut offs can vary each year and are different for various categories (General, OBC, SC, ST, etc.).

Therefore, let's look at the SSC JHT previous years' cut off tables for Paper 1 that we have provided you for your better understanding.

## SSC JHT Paper 1 Cut Offs 2022

SSC JHT Cut off 2023 - 140 out of 200 must be scored

Category	Cut off Marks (Paper 1)
General	134.24
OBC	110.50
SC	82.50
ST	76.50

## SSC JHT Paper 1 Cut Offs 2020

Category	Cut off Marks (Paper 1)
General	140
OBC	128
SC	116
ST	114

## SSC JHT Paper 1 Cut Offs 2019

Category	Cut off Marks (Paper 1)
General	128.75
OBC	114
SC	105.25
ST	94

Keep in mind that the cut off marks provided above are solely for reference. They can serve as a basis for your expectations, so use them to prepare adequately and aim to achieve scores higher than last year. Furthermore, it's essential to note that cut offs have been consistently increasing in recent years (except for a dip in 2022, which was due to the pandemic effects). Now, shall we explore the factors that influence these cut offs?

## Factors Affecting SSC JHT Cut off 2023

SSC JHT Cut off 2023 - 140 out of 200 must be scored

Understanding the factors that influence the SSC JHT Cut off 2023 is essential for you to plan your preparation effectively. Therefore, now we will explore the various factors that can affect the SSC JHT Cut off 2023.

- **Vacancies:** The number of available positions impacts the SSC JHT Cut off 2023. More vacancies may lead to lower cut offs, while fewer vacancies can raise them.
- **Exam Difficulty:** Tougher exams tend to lower cut offs, while easier ones can increase them.
- **Candidates Count:** More candidates mean higher competition and potentially higher cut offs.
- **Reservation Categories:** Different categories have varied cut offs; General often has higher cut offs.
- **Past Cut Off Trends:** Previous years' trends indicate future cut offs; rising trends suggest higher cut offs.

Moreover, if you're getting ready for the SSC JHT 2023 exam, it's important to know what can make the cut off marks go up or down. Learning about these things will help you plan your study strategy better and give you a better chance of doing well in the SSC JHT exam.

Now that we've covered all the important information about the SSC JHT Cut off 2023, aren't you eager to find out the dates for the SSC JHT 2023 examination?
