1. The exam is conducted in a computer-based format.
2. Candidates will have a time limit of 60 minutes (1 hour) for this exam, with 80 minutes provided to eligible candidates who require scribes.
3. The exam consists of four sections, and each section must be completed.
4. Each question carries a value of two marks.
5. For every incorrect answer, a penalty of 0.50 marks is deducted as a negative marking.
6. In total, you are required to answer 100 questions, with a maximum score of 200 marks available.

SSC Selection Post Notification Overview

Now that you have familiarized yourself with the SSC Selection Post exam pattern 2023, let's move on to the discussion of the exam notification. Hence, before embarking on your preparation journey, it's important to be informed about the release of the SSC Selection Post Notification. The Staff Selection Commission officially unveiled the SSC Selection Post Notification for the year 2023 on March 06, 2023. Furthermore, the SSC initiated the application process and instructed candidates to complete it by March 27, 2023. This Selection Post recruitment drive has opened up a total of 5369 job vacancies. Moreover, the notification comprehensively covers all the essential information regarding job positions, salaries, eligibility criteria, exam pattern, syllabus, and the application process. For a simplified and detailed understanding of the notification, you can refer to our blog post titled "SSC Selection Post Notification 2023."

SSC Selection Post 2023 Syllabus

Now that you've refreshed your knowledge about the SSC Selection Post Exam Pattern 2023 and got an overview of the official notification, you might be wondering about the specific areas you should focus on for your SSC Selection Post exam preparations. So, let's delve into the SSC Selection Post 2023 to clarify what you need to study. The Computer Based Examination consists of four subjects, which are as follows:

- General Intelligence
- General Awareness
- Quantitative Aptitude (Basic Arithmetic Skill)
- English Language (Basic Knowledge)

Furthermore, the four subjects mentioned above in this exam encompass distinct topics and weightages which differ based on their respective levels: Matriculation, Higher Secondary, and Graduation & above levels. However, the subjects remain the same but the level of difficulty changes. Further to know more in detail about the SSC Selection Post Syllabus 2023, check our blog by clicking on the embedded link.

Marking schemes play a vital role in maintaining fairness, consistency, and transparency in the assessment and evaluation of student work. Hence, it serves as a valuable tool for both educators and students in the learning process. Consequently, let's dive into the SSC Selection Post Marking Scheme for 2023.

- The computer-based exam will feature 100 questions of 2 marks each.
- All of the four subjects will carry 50 marks, resulting in a combined total of 200 marks.
- There is a penalty for wrong answers. To elaborate, every question answered incorrectly will lead to a deduction of 0.50 marks. Therefore, be cautious while answering the questions.
- Lastly, the SSC Selection Post computer-based exam will consist of Objective Type Multiple Choice questions.

SSC Selection Post 2023 Marks Normalization

Now that we are familiar with the SSC Selection Post Syllabus 2023 and its marking scheme, let's take a look at the marks normalization. First and foremost, why don't we learn what 'Normalization' actually means? Normalization refers to the statistical method through which we bring the marks at an equal level taking into account the difference in the difficulty level of various shifts of the exam.

Consequently, the SSC Selection Post Notification 2023 stated that the marks scored by candidates in Computer Based Examination will be normalized by using the formula published by the Commission through Notice No: 1-1/2018-P&P-I dated 07-02-2019. Further, these normalized scores help calculate your final merit and cut-off marks.

SSC Selection Post 2023 Exam Dates

On March 06 2023, the Staff Selection Commission released the SSC Selection Post 2023 notification on its official website, along with the online SSC Selection Post application form. Additionally, the Staff Selection Commission of India has also released the key dates. Hence, kindly refer to the table for a comprehensive overview of all the significant dates.
