SSC MTS 2024 Post List - Promotions and Career Growth

If you are selected through the SSC MTS (Multi Tasking Staff) examination in various departments, you'll have the opportunity for promotion to higher posts based on a specified period of duty. Typically, you become eligible for your first promotion after completing a minimum of three years of service. This structured progression pathway not only encourages your professional development but also acknowledges your dedication and competence within the system.

In your typical career advancement trajectory as an SSC MTS employee, you can anticipate promotion to the post of Lower Division Clerk (LDC) after completing approximately 5-6 years of service by default. Furthermore, your career growth opportunities extend beyond, offering the potential to attain the position of Section Officer (SO) by the time of your retirement. This framework ensures a rewarding and evolving career path for you within the SSC MTS system.
