Moreover, questions are designed to test your general awareness of the environment around you and its application to society. They also assess your knowledge of current events and everyday observations and experiences from a scientific perspective, as expected of an educated person. The test will include questions related to India and its neighbouring countries, particularly focusing on History, Culture, Geography, Economic Scene, General Policy, and Scientific Research.

SSC CHSL General Awareness Syllabus - Topic Wise Weightage

Knowing the weightage helps you allocate your study time effectively, focusing more on topics that carry more marks. Moreover, understanding the topic-wise weightage enables a more structured and focused preparation, increasing your chances of performing well in the exam.

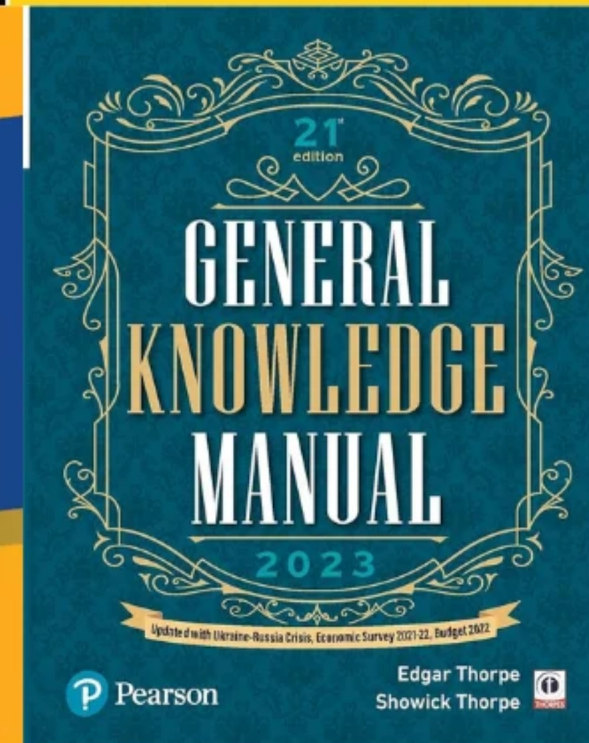

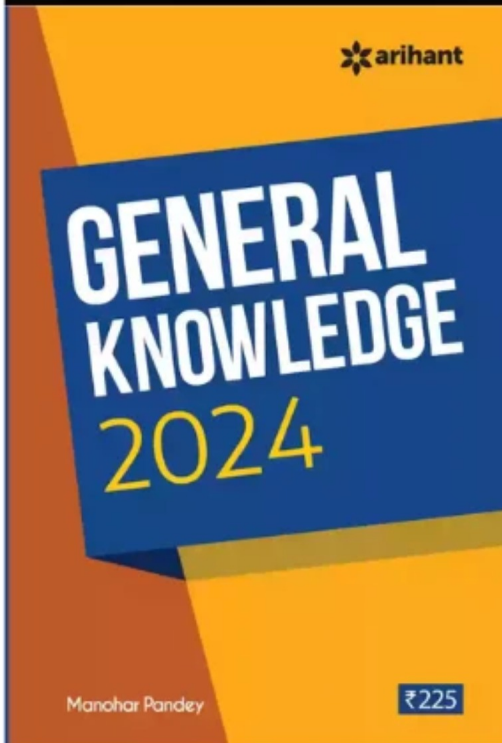

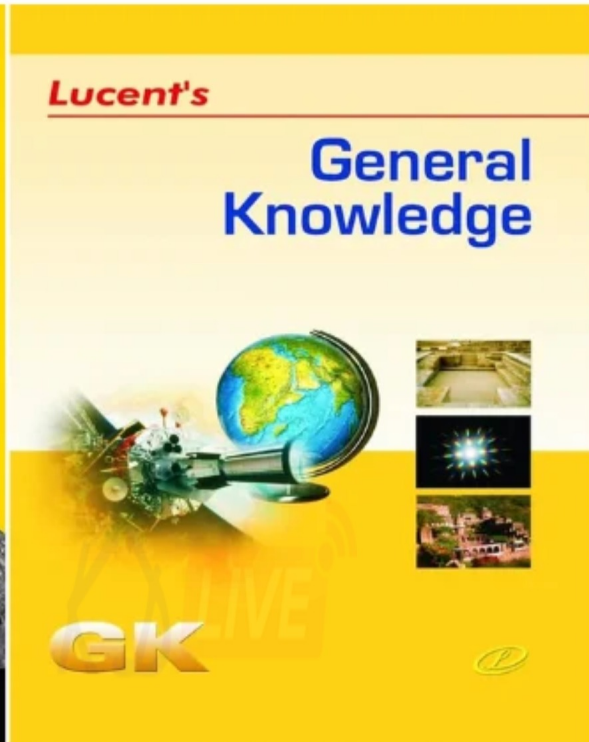

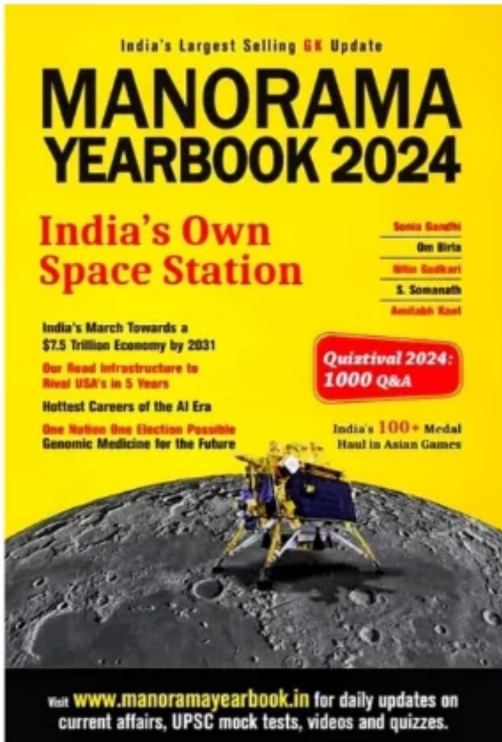

Events	Weightage
Ancient History	0-1
Medieval History	0-1
Modern History	0-2
Geography	2-3
Polity	2-3
Physics	0-1
Chemistry	1-2
Biology	0-1
Science and Technology	0-1
Economics	3-5
Current Affairs	4-7
Art and Culture	3-5
Static GK	1-4

From the above table, it is clear that Current Affairs carries the highest weight in the SSC CHSL General Awareness Syllabus.

- **NCERT Books:** Start with NCERT textbooks from classes 6 to 10 for subjects like History, Geography, Political Science, and Economics. These books provide a clear and concise foundation of general knowledge topics.
- **Lucent's General Knowledge**
: This comprehensive book covers a wide range of topics including history, geography, Indian polity, economy, science, and miscellaneous information. It is a valuable resource for quick revision and practice.
- **Manorama Yearbook**
: An annual publication that includes detailed coverage of national and international events, economic affairs, sports, awards, and more. This is an excellent resource for staying updated on current affairs.
- **The Hindu Newspaper:** Reading a reputable newspaper like The Hindu Daily helps improve your current affairs knowledge and comprehension skills. Focus on the editorial and national/international news sections.
- **Previous Year Question Papers:** Analyzing and practising with previous years' question papers will give you insights into the exam pattern and the types of questions asked. This helps in understanding the important topics and improving your answering speed and accuracy.
- **Static General Knowledge Books:** Books like Arihant's "General Knowledge" and Pearson's "General Knowledge Manual" are great for covering static GK topics which are not frequently updated but are crucial for the exam.
