## SSC MTS 2024 Exam Pattern

Understanding the SSC MTS Exam 2024 pattern is crucial as it defines the structure of the exam, including the number of questions, marking scheme, and section durations. This understanding helps in effective preparation strategy, prioritization of topics, and optimal time management. Familiarity with the exam pattern reduces exam-day anxiety and improves performance by offering a clear roadmap for success. Therefore, let's dive into the SSC MTS 2024 exam pattern.

The Computer Based Examination for SSC MTS 2024 will be held in two mandatory sessions, Session I and Session II, on the same day. In Session I, you will have 45 minutes to complete the exam, after which the session will automatically close. The SSC MTS 2024 exam will feature Objective Type Multiple Choice Questions. Notably, there will be no negative marking in Session I. However, in Session II, one mark will be deducted for each incorrect answer. Hence, you are advised to keep this in mind when answering the questions.

You can refer to the snippet below from the official SSC MTS Notification 2024 for detailed information on the exam pattern.

Part	Subject	Number of Questions/ Maximum Marks	Time Duration (For all four Parts)
