available on the SSC's website.

Reasoning for SSC MTS - Topics

In this comprehensive guide to Reasoning for SSC MTS, we'll start by outlining the fundamental topics followed by their respective weightages. Next, we'll emphasize the key areas that need prioritization. Lastly, we'll wrap up with some effective preparation tips. Below, you'll find a detailed list of the crucial topics under Reasoning for SSC MTS.

LOGICAL REASONING SYLLABUS

General Intelligence and Reasoning

- Alpha-Numeric Series
- Coding and Decoding
- Analogy
- Following Directions
- Similarities and Differences
- Series
- Jumbling
- Problem Solving and Analysis
- Non-verbal Reasoning based on diagrams
- Age Calculations
- Calendar and Clock, etc.

Reasoning for SSC MTS - Detailed Topics With Weightages

- Alpha-Numeric Series
- Coding and Decoding
- Analogy
- Following Directions
- Similarities and Differences
- Jumbling
- Problem Solving and Analysis
- Non-verbal Reasoning based on diagrams
- Age Calculations
- Calendar and Clock, etc

This section aims to evaluate your overall learning capacity. With the list of topics in hand, let's delve into their respective weightages in the upcoming section.

Reasoning for SSC MTS - Topic Wise Weightages

Grasping the importance of the key topics under Reasoning for SSC MTS is essential for creating an efficient study plan. The following table highlights the topic-wise weightage for the Reasoning section under SSC MTS, emphasizing the significance of each topic during your exam preparation:

Topics	Weightage
Classification	3-4
Analogy	2-3
Coding-Decoding	1-2
Matrix	1
Word Formation	1-2
Missing Number	2-3
Direction and Distance	2-3
Blood Relations	1
Series	2-3
Non-Verbal Reasoning	4-5
Verbal Reasoning	0-1
Simplification	2-3

Now, let's concentrate on the topics that deserve priority while preparing the Reasoning for SSC MTS for the upcoming 2024 MTS examination.

Reasoning for SSC MTS - Priority Wise Topics

Reasoning for SSC MTS - Detailed Topics With Weightages

In the SSC MTS 2024 exam, the General Intelligence and Reasoning for SSC MTS will feature 20 questions. Achieving high accuracy in these questions is crucial for selection, significantly boosting your chances of clearing the paper on the first attempt. The following topics hold more weight in the exam:

- Non-Verbal Reasoning
- Classification
 - General Knowledge Based
 - Image Based
 - Letter and Number Based
 - Meaning Based
 - Number Based
 - Letter Based
 - Jumble Word - Odd One Out
 - Jumble Word - Meaningful Word
- Distance and Direction
 - Shadow Based
 - Turn-Based
 - Stop/ Point Based
 - Based on 2 or More People
 - Coded Distance and Direction
 - Puzzle-Based Distance and Direction
- Analogy
- Missing Number
- Series
- Simplification

Now that you know which topics to prioritize, let's delve into the exam pattern.

Reasoning for SSC MTS - Exam Pattern

Knowing the exam pattern enables you to plan your preparation more effectively. By grasping the types of questions, how marks are distributed, and the timing of the exam, you can better prioritize topics and manage your study time. The SSC MTS selection process involves a Computer Based Examination (CBE) and a Physical Efficiency Test (PET)/Physical Standard Test (PST). However, the latter is only for the Havaldar position. For more detailed information check our

blog. The CBE exam pattern is detailed below:

Reasoning for SSC MTS - Detailed Topics With Weightages

SSC MTS Exam Pattern

Lets begin to prepare for the exams in the given chronology!

	Session 1	Session 2	Maximum Marks	Time Duration
 CBT + PET	-Numerical & mathematical ability -Reasoning ability & problem solving	-General awareness -English language & comprehension	120 (Session 1) + 150 (Session2)	90 minutes
	Physical Efficiency Test or Physical Standard Test *Only for Havaladar		-	-

[Source: KD Live]

• Session 1:

- Contains 40 questions.
- Each question is worth 3 marks.
- The allotted time is 45 minutes.
- No penalties for incorrect answers.
- No deductions for unanswered questions.

• Session 2:

- Contains 50 questions.
- Each question is worth 3 marks.
- The allotted time is 45 minutes.
- A penalty of 1 mark is deducted for each incorrect answer.
- No deductions for unanswered questions.

• Extended Time for Scribe Candidates:

- Eligible candidates receive 60 minutes per session, instead of the standard 45 minutes.

Reasoning for SSC MTS - Preparation Strategy

Having reviewed the important topics for the Reasoning for SSC MTS, it's crucial to adopt a comprehensive preparation strategy with effective tips. Here are some expert-recommended SSC MTS Preparation Tips for the Reasoning for SSC MTS:

- Practice

SSC MTS Mock Test

papers to improve your time-management skills. Set a timer while practising questions and finish it in the allotted time.

- While solving questions, try to note down the most asked questions and their variations from the last 5-6

SSC MTS Previous Year Papers

to assess the difficulty level and other tweaks.

- Develop a well-organized

study plan

allocating time to different subjects, focusing more on weaker areas.

- Acknowledge the importance of

Reasoning

topics in the MTS exam and allocate ample time to study its key concepts.

- Consider enrolling in

online coaching

to learn shortcut tips and tricks specifically tailored for the SSC MTS Reasoning section.

As we wrap up our exploration of the Reasoning for SSC MTS, remember that this is just the start of your preparation. Success in the exam hinges on consistent practice, thorough study, and a strategic approach.
