SSC CHSL Tier 1 Syllabus - Marking Scheme

Now that you have all the details about the SSC CHSL Tier 1 Syllabus and its exam pattern, let's examine the marking scheme. To get a clearer picture, consider the following:

- The SSC CHSL Tier 1 includes 100 questions with a maximum achievable score of 200.
- In the Tier 1 exam, each correct answer will be awarded 2 marks.
- Additionally, there will be a penalty of 0.50 marks for each incorrect answer.

Shall we now move on to discuss marks normalization for the SSC CHSL Tier 1 examination?

SSC CHSL Tier 1 Syllabus - Marks Normalization

Now that you have gained a clearer insight into the SSC CHSL Tier 1 syllabus along exam pattern and marking scheme let's start by explaining what the normalization of marks entails. It's a statistical method used to address any variations in the difficulty level of question papers across different shifts of the exam. Directly comparing scores between shifts wouldn't be fair due to these differences in question complexity. Normalization equalizes the scores, allowing for a more accurate assessment of candidates and resolving this issue.

In 2019, the Staff Selection Commission introduced the normalization formula in

Notice No.1-1/2018-P&P-I dated 07-02-2019

, which has been in use since then. These normalized scores are subsequently used to determine the final merit list and cut-off marks.

In wrapping up our discussion on the SSC CHSL Tier 1 Syllabus, it's crucial to stress the importance of time management and accuracy for competitive exams like the SSC CHSL. Concentrate on grasping concepts, practising regularly, and improving speed while maintaining accuracy.
