SSC CPO 2024 Marks Normalization

Now that we have looked at all the aspects of the SSC CPO Pre syllabus 2024, it is important to understand the marks normalization for the exam. Marks normalization is a statistical approach employed to address any variations in the difficulty levels of question papers across different shifts of the same examination. Given that different shifts may feature varying degrees of complexity in their questions, a direct comparison of scores might not be fair. Therefore, normalization aims to rectify this by equalizing the scores, ensuring a more equitable evaluation of candidates.

The SSC has issued a notice,

[No.1-1/2018-P&P-I dated 07-02-2019](#)

, outlining the formula to be used for normalization. Additionally, if you are holding National Cadet Corps (NCC) certificates (as of 01.08.2024) are eligible for bonus marks in Paper I and Paper II, which are added to your normalized scores according to a specific scheme.
