The **Staff Selection Commission** released the **SSC MTS Notification 2024** on June 27, 2024, marking the start of the recruitment process. The first stage is a Computer-Based Exam. To successfully clear this stage, it is essential to familiarize yourself with the SSC MTS Syllabus 2024. In this blog, we will provide a detailed breakdown of the SSC MTS Syllabus 2024, covering everything from topics to the exam pattern.

SSC MTS Syllabus 2024 - Exam Overview

The examination for the MTS post will include a Computer-Based Examination (CBE). For the Havaldar post, the examination will include a CBE along with a Physical Efficiency Test (PET) and a Physical Standard Test (PST). Below, we have provided an infographic for better understanding:

[Source: KD Live]

The Computer-Based Examination will be conducted in two sessions: Session I and Session II, both of which are mandatory and will be held on the same day. Moreover, the CBE will cover four subjects: Numerical and Mathematical Ability, Reasoning Ability and Problem Solving, General Awareness, and English Language and Comprehension. Continue reading this blog to explore the SSC MTS Syllabus 2024 in detail!

SSC MTS 2024 Exam Pattern - CBE

Understanding the exam pattern helps you strategize your approach to answering questions, boosts your confidence, and improves your time management skills. With this in mind, let's delve into the SSC MTS Exam Pattern. We've included a snippet of the exam pattern from the official notification to provide you with a better understanding and clarity.

Part	Subject	Number of Questions/ Maximum Marks	Time Duration (For all four Parts)
Session-I			45 Minutes (60 Minutes for candidates eligible for scribes as per para 8)
I	Numerical and Mathematical Ability	20/60	
II	Reasoning Ability and Problem Solving	20/60	
Session-II			45 Minutes (60 Minutes for candidates eligible for scribes as per para 8)
I	General Awareness	25/75	
II	English Language and Comprehension	25/75	

[Source: ssc.gov.in]

The Computer-Based Examination will be conducted in two sessions: Session I and Session II, both on the same day and both are mandatory. Each session includes two subjects. In Session I, there are 20 questions per subject, while Session II has 25 questions per subject. You will have 45 minutes to complete each session, after which the session will automatically close. The SSC MTS 2024 exam will consist of Objective Type Multiple Choice Questions. Notably, there is no negative marking in Session I, but in Session II, one mark will be deducted for each incorrect answer. Be mindful of this when answering the questions.

SSC MTS Exam Pattern 2024
".

SSC MTS Syllabus 2024 for Numerical and Mathematical Ability

We have listed all the topics covered under the SSC MTS Syllabus 2024 for Numerical and Mathematical Ability:

- Integers and Whole Numbers
- LCM and HCF
- Decimals and Fractions
- Relationship between numbers
- Fundamental Arithmetic Operations and BODMAS
- Percentage
- Ratio and Proportions
- Work and Time
- Direct and inverse Proportions
- Averages
- Simple Interest
- Profit and Loss
- Discount
- Area and Perimeter of Basic Geometric Figures
- Distance and Time
- Lines and Angles
- Interpretation of simple Graphs and Data
- Square and Square roots

SSC MTS Syllabus 2024 for Reasoning Ability and Problem Solving

The questions in this part are designed to measure your general learning ability. Additionally, here are the few topics covered under the SSC MTS syllabus 2024 for Reasoning Ability and Problem Solving.

- Alpha-Numeric Series
- Coding and Decoding
- Analogy
- Following Directions
- Similarities and Differences
- Jumbling
- Problem Solving and Analysis
- Non-verbal Reasoning based on diagrams
- Age Calculations
- Calendar and Clock

SSC MTS Syllabus 2024 for General Awareness

The broad coverage of the test will be on Social Studies (History, Geography, Art and Culture, Civics, Economics), General Science, and Environmental Studies up to the 10th Standard. Additionally, here are some of the topics included in the SSC MTS syllabus 2024 for General Awareness:

- Ancient History
- Medieval History

- Static GK

SSC MTS Syllabus 2024 for English Language and Comprehension

Your understanding of the basics of the English language, including vocabulary, grammar, sentence structure, synonyms, antonyms, and correct usage, will be tested. Additionally, you may be given a simple paragraph to read, with questions based on the paragraph to assess your comprehension. Below are the topics covered in the SSC MTS syllabus 2024 under English Language and Comprehension section:

- Error Spotting
- Sentence Improvement
- Synonyms
- Antonyms
- Idioms
- Fillers
- One Word Substitution
- Incorrectly Spelt
- Cloze Test
- Sentence Jumbles/Rearrangement
- Comprehension Passage

SSC MTS Syllabus 2024 - PET/PST

If you are applying for the Havaldar post, you will need to undergo a Physical Efficiency Test (PET) and Physical Standard Test (PST) after successfully clearing the Computer-Based Examination (CBE). The following are the PET/PST standards for the Havaldar position in CBIC and CBN:

Physical Efficiency Test (PET):

The Physical Efficiency Test criteria for the Havaldar position in CBIC and CBN are as follows:

	Male	**Female**
Walking	1600 meters in 15 minutes.	1 Km in 20 minutes

[Source: ssc.gov.in]

Physical Standard Test (PST):

The minimum physical standards for the Havaldar position in CBIC and CBN are:

Male:

Height	**Chest**
157.5 cms. (relaxable by 5 cms. in the case of Garhwalis, Assamese, Gorkhas and members of Schedule Tribes)	Chest-81 cms. (fully expanded with minimum expansion of 5 cms.)

Female:

Height	**Weight**
152 cms. relaxable by 2.5 Cms in the case of Garhwalis, Assamese, Gorkhas and members of Schedule Tribes)	48 kg (relaxable by 2 Kg in the case of Garhwalis, Assamese, Gorkhas and members of Schedule Tribes)

[Source: ssc.gov.in]

Following the release of the results, you will have to go through a process called Document Verification. During this process, you will be asked to present documents for caste/category, equivalency, matriculation/secondary certificate, persons with disabilities, age relaxation, and more. Nonetheless, a "No Objection Certificate" is also required for government employees.

In conclusion, without an in-depth extensive knowledge of the SSC MTS Syllabus 2024, it is next to impossible to crack this exam. Therefore, in this blog, we have provided every crucial detail that you need to know to ace the SSC MTS exam 2024. Remember that success is not just about knowing the syllabus, but about mastering it. Stay focused and practice consistently. All the best for your exam!
