For females

- Height: The minimum height for female candidates belonging to General/OBCs and SCs is 152 centimeters whereas the minimum height for ST female candidates is 147 centimeters.
- Weight: The minimum weight for female candidates is 40 Kg.

Moving forward, let us take a look at the criteria for the Physical Efficiency Test.

UPSI Physical Efficiency Test

After the Physical Standard Test comes the Physical Efficiency Test. Subsequently, if you are successful in clearing the physical standard test, you have to appear in the Physical Efficiency Test which will be of a qualifying nature. In this test, a male candidate is required to complete a 4.8 km race in 28 minutes meanwhile a female candidate is required to complete a 2.4 km race in 16 minutes. In case, a candidate fails to complete the race in the stipulated time, they would not be considered eligible for the recruitment.

Now, that we are aware of the whole selection process for the UPSI Examination, let us now take a look at the UPSI Exam Pattern.

UPSI Exam Pattern 2023

To begin with, it is extremely important to be familiar with the exam pattern. Knowing the exam pattern helps you manage your study schedule and time wisely. Therefore, we have attached a table below to help you understand the UPSI Exam Pattern.

UPSI Syllabus 2023 - Subject Wise Topics Weightage

The examination is of 400 marks and has a duration of 120 minutes. In addition to this, if you want to know more about the

[UPSI Exam Pattern 2023](#)

, you can check out our blog on the same by clicking on the embedded link. Now, let us move forward to the UPSI Marking Scheme.

UPSI Marking Scheme 2023

As we already know, the examination carries a total of 400 marks. Moreover, the duration of the examination is 120 minutes (2 Hours). However, if you fail to obtain 35% marks in each subject or 50% in total, then you will not be eligible for recruitment. In addition to this, there is no negative marking in the UPSI Examination.

UPSI 2023 Marks Normalization

Before we discuss how the marks are normalized in the UPSI, let us first learn what normalization is. Normalization is the statistical method in which the marks are brought to an equal level with respect to the difference in the difficulty level of various shifts of the exam. Therefore, according to the notification, the Equi-Percentile Method will be applied to normalize the scores obtained by the candidates.
