It has been solved and explained by KD Live Experts under the guidance of Neetu Mam and they have tried to elaborate the concept used in Analytical Reasoning Questions.

Comprehension On Analytical Reasoning Questions

Direction: In the given question, the statement is followed by two assumptions numbered I and II. You have to take the given statement to be true even if they seem to be at variance with commonly known facts. Read all the assumptions and then decide which of the given assumption follows from the given statement, disregarding commonly known facts.

Question On Analytical Reasoning

Statement: Candidates (who are selected) are called out to the office and received a letter. They have asked to read the written thing first. They must pay for their own travel costs and other expenses, according to a clause in the letter provided to candidates selected for written examinations. Assumption: I. All candidates are eligible to request expenditure reimbursement if it is unclear. II. Many organisations reimburse candidates invited for written exams for their travel fees.

Difficulty : Moderate

Average Time : 67 Seconds

Analytical Reasoning Questions Options

1. Only I is implicit
2. Only II is implicit
3. Either I or II is implicit
4. Neither I nor II is implicit
5. Both are implicit

Analytical Reasoning Questions Solution

The correct answer is **Option 5** i.e. **Both are implicit**.

Assumption:

I. All candidates are eligible to request expenditure reimbursement if it is unclear. **Implicit** (Those who wrote the letter

must have considered that the candidates may claim reimbursement if the point wasn't made clear to them.)

II. Many organizations reimburse candidates invited for written exams for their travel fees. **Implicit** (If reimbursement was not a common practice, the candidates would not request it.)

I and II are therefore both implicit.

Hence, the correct answer is **Both are implicit**.
