

Match The Following Questions Overview

Match The Following Questions have a good weightage in the Ssc Cgl Exam and the type of question asked in Ssc Cgl exam is similar to the question mentioned below. It has been solved and explained by KD Live Experts under the guidance of Neetu Mam and they have tried to elaborate the concept used in Match The Following Questions.

Question On Match The Following

In the following questions, two columns are given containing three sentences/phrases each. In the first column sentences/phrases are A, B and C and in the second column sentences/phrases are D, E and F. A sentence/phrase from the first column may or may not connect with another sentence/phrase from the second column to make a grammatically and contextually correct sentence. Each question has five options, four of which display the sequence(s) in which the sentences/phrases can be joined to form a grammatically and contextually correct sentence. If none the given options form a correct sentence after combination, mark option 5, i.e. "None of these" your answer.

Difficulty : Moderate

Average Time : 58 Seconds

Match The Following Questions Options

1. A-D
2. C-E
3. B-F
4. A-E
5. None of these

Match The Following Questions Solution

The correct answer is **Option 3** i.e. **B-F**.

- Statement "B" seems to be an introductory sentence and "F" seems to follow this by showing conjunction as well as congruency with the first, as both statements seem to revolve around the privatisation of Indian railways.
- The remaining sentences are inappropriate and are not in sync with each other as they represent different connotations individually.

Hence, the correct answer after matching will be :

B-F: The Bibek Debroy committee recommended that the rail industry needs to be liberalized by allowing the entry of private operators to provide services. After privatisation of the Tejas Express (to be run by the IRCTC), the government is currently in the process of forming a task force to draw a blueprint for handing over operations of as many as 150 trains and a total of 50 railway stations to private operators.

Hence, the correct answer is **Option 3** i.e. **B-F**.
