

## Order And Ranking Questions Overview

Order And Ranking Questions have a good weightage in the Ssc Chsl Exam and the type of question asked in Ssc Chsl exam is similar to the question mentioned below. It has been solved and explained by KD Live Experts under the guidance of Neetu Mam and they have tried to elaborate the concept used in Order And Ranking Questions.

## Comprehension On Order And Ranking Questions

Direction: Read the information carefully and answer the following questions. In a jungle, eight animals – Giraffe, Elephant, Goat, Lion, Crocodile, Snake, Bear, and Rat are categorized as Herbivores, carnivores, and omnivores. The rank of Carnivore is greater than Herbivore but lower than Omnivore. The animals of each category are further ranked based on the food they eat. Thus, each animal has an overall rank and a category rank. The omnivore that eats grain has a lesser rank than the one that eats meat. The carnivore that eats fish has a greater rank than the one that eats eggs but is lower than the one that eats meat. The herbivore that eats grass has a lower rank than the one that eats fruits. The herbivore that eats green plants has the highest rank in that category. Bear is an omnivore who does not eat grains. Lion gets the highest rank among the carnivore category and snake gets the lowest rank in the carnivore category. Elephant gets the second rank in the herbivore category. Rat is neither a carnivore nor a herbivore. Neither a giraffe nor a goat is a carnivore. Snake does not eat fish. The goat does not get the highest rank in any category.

## Question On Order And Ranking

What is the category rank of elephant?

Difficulty : Moderate

Average Time : 87 Seconds

## Order And Ranking Questions Options

1. Second
2. Third
3. Fourth
4. First
5. Fifth

The correct answer is **Option 1** i.e. **Second**

- 1) The omnivore that eats grain has a lesser rank than the one that eats meat.
- 2) The carnivore that eats fish has a greater rank than the one that eats eggs but is lower than the one that eats meat.
- 3) The herbivore that eats green plants has the highest rank in that category.
- 4) The herbivore that eats grass has a lower rank than the one that eats fruits.

(These four statements imply that there are two omnivores, three carnivores, and three herbivores)

Overall rank	Category	Food Type	Rank within category	Animal
1	Omnivore	Meat	1	
2	Omnivore	Grain	2	
3	Carnivore	Meat	1	
4	Carnivore	Fish	2	
5	Carnivore	Eggs	3	
6	Herbivore	Green plants	1	
7	Herbivore	Fruits	2	
8	Herbivore	Grass	3	

- 5) Bear is an omnivore who does not eat grains.

(This implies that bear eats meat)

- 6) Lion gets the highest rank in the carnivore category and snake gets the lowest rank in the carnivore category.

- 7) Elephant gets the second rank in the herbivore category.

Overall rank	Category	Food Type	Rank within category	Animal
1	Omnivore	Meat	1	Bear
2	Omnivore	Grain	2	

3	Carnivore	Meat	1	Lion
4	Carnivore	Fish	2	
5	Carnivore	Eggs	3	Snake
6	Herbivore	Green plants	1	
7	Herbivore	Fruits	2	Elephant
8	Herbivore	Grass	3	

8) Rat is neither a carnivore nor a herbivore.

(This implies Rat is an omnivore and occupies the only left position that is ranked 2 in that category)

9) Neither a giraffe nor a goat is a carnivore.

(This implies that the crocodile is a carnivore and eats fish)

10) Goat did not get the highest rank in any category.

(Thus, the only animal left that is the giraffe gets the highest rank in the herbivore category)

(Now, goat is the only animal left who is a herbivore and eats grass)

Overall rank	Category	Food Type	Rank within category	Animal
1	Omnivore	Meat	1	Bear
2	Omnivore	Grain	2	Rat
3	Carnivore	Meat	1	Lion
4	Carnivore	Fish	2	Crocodile
5	Carnivore	Eggs	3	Snake
6	Herbivore	Green plants	1	Giraffe
7	Herbivore	Fruits	2	Elephant
8	Herbivore	Grass	3	Goat

The category rank of Elephant is 'Second'.

Hence, the correct answer is **Second**.

## Order And Ranking Questions Tips and Tricks

1. Try to solve Order And Ranking Questions without taking any help from the solutions.
2. Order And Ranking Questions require proper usage of concept so firstly read the question thoroughly and then use the right concept.
3. In case you're not able to solve the question in less than 30 seconds in the exam then you should skip the question and move to the next question.
