Puzzle Questions Overview

Puzzle Questions have a good weightage in the Ibps Clerk Exam and the type of question asked in Ibps Clerk exam is similar to the question mentioned below. It has been solved and explained by KD Live Experts under the guidance of Neetu Mam and they have tried to elaborate the concept used in Puzzle Questions.

Comprehension On Puzzle Questions

Direction: Read the given information carefully and answer the following questions. Eight persons join a company in four different months of the same year i.e. January, May, September, and November and on two different dates either the 11th or 26th of each month. C joins on an odd-numbered date before September. A and D join on the same date but in different months. Only two persons join between C and B. E joins immediately before H but in a different month. G does not join on an even-numbered date. The number of persons join after E is two less than the number of persons join before F. H does not join in November. A joins in the month which has an odd number of days.

Question On Puzzle

Which of the following combination is true about H?

Difficulty : Moderate

Average Time : 63 Seconds

Puzzle Questions Options

1. 26th May

2. 11 January

3. 26th September

4. 11th September

5. None is treu

Puzzle Questions Solution

The correct answer is **Option 4** i.e. **11th September**

1. C joins on an odd-numbered date before September. (C joins on either 11 January or 11 May).

2. Only two persons join between C and B.

3. E joins immediately before H but in a different month.

4. H does not join in November.

From these conditions there are two possibilities-

Months	Date	Case 1 Person	Case 2 Person
January	11	C	
	26	E	
May	11	H	C
	26	B	E
September	11		H
	26		B
November	11		
	26		

5. The number of persons join after E is two less than the number of persons join before F. (From this condition case 1 will be eliminated)

6. G does not join on an even-numbered date.

7. A joins in the month which has an odd number of days.

8. A and D join on the same date but in different months.

Final arrangement-

Months	Date	Person
January	11	G

26	A	
May	11	C
	26	E
September	11	H
	26	B
November	11	F
	26	D

From the above arrangement, H joins on 11th September.

Hence the correct answer is **11th September.**

Puzzle Questions Tips and Tricks

TIPS & TRICKS

1. Try to solve Puzzle Questions without taking any help from the solutions.
2. Puzzle Questions require proper usage of concept so firstly read the question thoroughly and then use the right concept.
3. In case you're not able to solve the question in less than 30 seconds in the exam then you should skip the question and move to the next question.
